

College of Pharmacy
Office of Continuing Education

cordially invite you to attend the

2016 Compass Program for Academic Advancement September 1st – September 29th, 2016 (Online Learning)

The Compass Program is an online course that provides early-career faculty and those transitioning to academic positions with an understanding of the culture of higher education. You will receive an introduction and exposure to a variety of skills needed for career advancement in many institutions—conducting educational research, grant writing, publishing articles and reports, and career planning—while enjoying the convenience and affordability of distance learning.
